

1. **Vacancy.** Applications for co-option are welcomed. Please contact the clerk for further information or download the application form from the Parish Council website [www.aymestrey.org](http://www.aymestrey.org).
2. Mortimers Cross Road Safety.
  - a. As requested, Ward Councillor Carole Gandy asked for collision data for 2024/25 on 3 March.
  - b. The Highways Accident Investigation & Safety Manager has also confirmed he is happy to meet with the Group after the end of this financial year. Email 27 February.
3. .org Email address for the Clerk. Further to discussions in February, I can find no reason why a .org email address is not acceptable. It is a generic email on an authority owned domain. It is, however, accepted that .gov email addresses are considered best practice.
4. Drainage work to install 2 additional 225mm culverts under the Leinthall to Yatton Road. To alleviate surface flooding. The former culvert / drainage system was unable to cope with the volume of water collected from the drainage basin. The work has been completed under the Herefordshire Council 2025/26 Grant Scheme. Invoice 1130.

5. Lengthsman works south of the Parish Hall. Completed 16 March, Balfour Beatty is due to jet the pipes on 25 March. Invoice 1136.

6. Drainage A4110 on 18 March 2026. Invoice to follow.
