

1. Correspondence

- a. Concern regarding damaged kerbstones and vehicles being driven too close to the pavement, from Bacon Lane towards the middle of Aymestrey. Reported to MGroup. FS-Case-868385455. Reported a second time on 19 October, FS-Case-885238027. The Locality Steward confirms works were raised on 17 September.
- b. Email from resident regarding the defibrillator in Lower Lye, asking that the person responsible be contacted as it is not working, and the pads are out of date. The Clerk emailed the Guardian on 12 October.

2. **Drainage Works – U92407 Haven Lane.** Repairs between 19 October 2026 to 13 November 2026, installing a new drainage pipe to replace the existing ditch system. Details are on the parish council website under What's On/Latest News. [Road Closure on Haven Lane | Aymestrey Parish Council](#)

3. Defibrillators

Covenhope Defibrillator. The new defibrillator has been installed and register with The Circuit, and Zoll.com (to include extended warrantee). Zurich Insurance has been notified, and it has been added to the asset register at a nominal £1 which a replacement value of £895.00.

4. Planning Updates.

[P261980/F - Planning Permission](#) Aymestrey, Mortimer, Sallyfield Aymestrey Leominster Herefordshire HR6 9SX, Retention of an agricultural storage building, Determination Made. Approved with Conditions.

5. Consultation

- a. The Police & Crime Commissioner - Town and Parish Council Survey 2026. Circulated with the agenda pack.
- b. The Herefordshire and Parish Council Charter. I did not manage to complete this before the deadline.

6. **Invitation** – Herefordshire Council's Flood Risk Management Team invites representatives from Parish Councils and local Flood Groups to attend a briefing session on Community Flood Signage Schemes and Community Flood Plans on 19th November 2026, from 11:00am to 1:00pm, in Conference Room 1, Herefordshire Council, Plough Lane, Hereford, HR4 0LE.

The event is aimed at communities interested in strengthening local flood resilience. We will outline the support available for developing Community Flood Plans and Flood Signage Schemes and provide an opportunity to discuss how these measures could help communities prepare for future flood events.

Following the presentation, there will be an opportunity to discuss local flooding concerns, ask questions, and explore whether these initiatives may be suitable for your area.
